From Belfast
Join the M1 towards Lisburn. Leave the M1 at junction 7 onto the A1 for Banbridge and Newry. Bypass Banbridge and continue on to Newry. The A1 now bypasses Newry, so instead proceed into central Newry on the old A1. This will lead to Downshire Road and the Trust Headquarters is on the left prior to the two roundabouts, the second of which intersects with the A25.

From Armagh
Join the A28 South from central Armagh, signposted to Newry. Continue on the A28 for 17 miles to the centre of Newry where you are forced to turn left onto New Street due to the one way system. New Street leads to a roundabout. Turn left here onto Downshire Road and the Trust Headquarters is on the right.

By Train
The Trust Headquarters is a ten minute taxi journey from Newry Station.
Newry is on the main Belfast to Dublin Line.
