

News Release

Donation to Southern Trust Acute Services Fund

Gene and Paul Duffy presented a cheque to the Acute Services Fund in Southern Health and Care Trust.

Gene, in his capacity as Greenore Golf Club Captain, held a fundraiser in Greenore Golf Club where members voluntarily donated when they played their golf ball into the Captain's Charity Bunker raising €486.00.

The Duffy family increased the donation to £1000.00 in appreciation of the care and support given to Una Duffy, in the Mandeville Unit before she sadly passed away.
